ENGLAND'S LOVE OF POMP AND PAGEANTRY

Impressions of an American at the Opening of Parliament By the King.

LLOYD GEORGE ACTUAL BOSS

Is supported By an Unprecedented Majority and Knows His Power.

n today, was a full-hearted one I have no doubt that many advanced thinkers of the labor movement blended their cheer; with the of representatives. the contistate landaus, red coated postillions, and squadron of the Labor has no quarrol with the king, who though having most august dynastic sovereignty really has less power than a township supervisor in America. Every time I see one of these roys! processions I cannot help but feel it is all empty frolishness, then I in warming from the roles and wigs of lustices of our supreme Cromwell has hall so much its

sin and the lord gold s'ick-in-waiting and the lord silver stick-in-waiting and the lord silver stick-in-waiting and the lord silver stick-in-waiting and other resplendent attendants. Sdescended from the throne to the red and white canopied royal entrance of the house of lords. The band of the Scots guards played and state coaches and cavalcade clattered down Whitehall to the roor of the populace. This roar is like p-steady monotone "Oh." It was given a bit of variety back at Buckingham palace where a rooting squad of American soldiers, sallors and embassy officials, whose head quarters are alongside the palace grounds, joined in an organized grounds, joined in an organized Rah, rah, rah!" that is said to have greatly pleased the royal highnesses.

me time for a stroil through Westminster abbey, just across the street.
In the famous poet's corner, where
Longfellow has a conspicuous bust.
I saw a great wreath adorning the
floor stone of Dickens' burial vault.
The wreath was from the Dickens'
club of Boston, Mass., sent in commemoration of the great novellst's
birthday on February. There were
also American wreaths for Burns
and Sir Henry Irving, the great labor
actor who died in 1905 and is buried
in the abbey.

of an uneducated man, so that his
opposition outline had an approprislely rough-and-ready labor flavor.
He quoted Lincoln's "This country
cannot continue to live half free, half
slave: and another American
worker upon a cross of gold." Sir
Donald Maclean, though not an ora
tor, spoke with a silken modulation
and perfect choice of words as one
would expect of an Asquithlan. Lloyd
George showed himself to be their

great organ rumbling as if with the timents and his acceptance of their abbey's ancient voice. Gloriou bury window. It was a good time to study the marble faces in this English Valhalia. — Shakespeare, Milton, Chaucer, Addison, Macauley, Goldsmith, Thackeray, Butler, Johnson, Scott, Handel, Jenny Lind, Gray, Southey, Cownell, and Twenty-two. Gray, Southey, Cowper, and many,

A Very Full House.

then, some around one of the speaker. The others are that a smooth in happy Jam. The benches are sizes together, without design and there is but a small arosway in the center.

istors, seated bounts (By GEORGE T. BYE.

LONDON, Feb. 11—oby mail)—
The reception given the king and queen in the reyal procession from Euckinsham palace to the houses of parliament for the convocation at noon today, was a full-hearted one. thinkers of the labor movement of representatives. Washington blended their cheer: with the crowd's at the sight of the likable monarchs and their attendants in son with their hale on. I did all the expiration and the crowded exacts are that most of those hale were that most of those hale were

wigs of justices of our supreme courts, the university draperies tive glory of lodge regalls and the superial tive glory of lodge regalls and coremonies in America. Does human nature require this pomp and time? That is what I ask myself, and If the anower is "yes," then I must say I like the British way of falterating and suffering all the costly appendinges of purely ornamental royalty.

Smith, former attorney general, now come under the head of indemnities, while some of the caims probably ably would not be warranted had the predation to en inflicted while. America was a belignered. The chains already filled number in the thousands, it was amounteed Many additional claims are expected which will increase materially the agregate amount claims, from the central powers by Americans, it was any affecting all the costly appendinges of purely ornamental royalty.

Smith, former attorney general, now Tradition and daily diversion.

Cellor, or present justice of the substance of the s

greatly pleased the royal highnesses.
So I read in the London papers.
I was outside the house of commons enjoying both the processional speciagle and a sensation of importance, for I had a ticket to the opening fession, and it was an evil pleasure to see the wit, beauty, the privilege seekers, and the families of members of parliament being turned away by the hundreds.

The house of commons assembled at 2:45, adjourning until 4, giving me time for a stroil through West-minster abbey, just across the street.

In the famous processions and respectation of the little hand an appropriate and an appropriate aging rough and strength an appropriate aging rough and a sense the street.
